HAIR BRUSHES

BLOW DRY BRUSH

The Blow Dry Brush combines heat-resistant bristles with ionic technology for fast, professional blowouts. Its ergonomic handle ensures comfort, while the advanced vented design accelerates drying and smooths frizz for a shiny finish. Lightweight yet powerful, this brush reduces breakage and delivers salon-quality results in less time, making it essential for

- ◆ Large and round brush with a ceramic, thermal base.
- ◆ Quick barrel heat up for rapid styling.
- ◆ Helps reduce static

Sizes Available:

25mm | 32mm | 43mm | 52mm

CHAMELEON BRUSH 2.0

The Chameleon Brush 2.0 is designed for professional stylists, featuring innovative heat-reactive technology that turns the barrel silver above 60°C to signal optimal styling temperature. With ionic bristles and a carbon fiber construction, it provides anti-static properties for smooth, frizz-free hair. The 3-sided handle with vent holes enhances airflow for faster styling, making it an essential tool for achieving flawless results with every use.

- ◆ Ionic And Ceramic Infused Bristles.
- ◆ Heats Up Fast, Holds Heat Longer & Distributes Heat Evenly.
- ◆ Ergonomic Handle Design, Light Weight And Comfortable Grip.

Sizes Available: 20mm | 25mm
32mm | 43mm | 52mm

TITANIUM PRO GRIP

Designed for high-performance styling, the Titanium Pro Grip Brush features titanium thermal technology that ensures faster drying and frizz-free styling. The anti-static properties control flyaways, while the vented design allows optimal airflow for enhanced heat distribution. The ergonomic handle offers superior control, minimizing hair breakage and delivering sleek, professional results every time.

**Sizes Available: 25mm | 32mm
43mm | 52mm**

SUPREMO PADDLE BRUSH

The Supremo Paddle Brush combines IntelliFlex bristles with ionic technology, offering superior detangling without breakage. Its large paddle design and flexible air cushion provide comfort and control during styling. The ergonomic, anti-slip handle ensures a secure grip, while the ionic technology leaves hair smooth and frizz-free, making it a top choice for professional stylists.

ARTISTIC PADDLE BRUSH

The Artistic Paddle Brush features ion bristles and ball-tipped nylon pins that work together to smooth the hair cuticle and eliminate static. The cushioned natural rubber pad enhances comfort during use, while the anti-static technology reduces frizz and promotes shine. Ideal for fast, professional styling, this brush delivers a sleek, frizz-free finish with every stroke.

FLEXI PADDLE BRUSH

The Flexi Paddle Brush is designed with a Flexible head to adjust to the movement of your hand with your scalp shape. It has a soft touch surface for the perfect grip and its smooth rounded tip doesn't hurt your scalp.

Available In:

NO KNOT BRUSH

The No Knot Brush Is Ideal For All Hair Types And Textures. The Curved And Ergonomically Designed Handle Increases The Angle Between The Bristles Which Provides A Better Grip While Using. It Is Perfect In Detangling The Hair By Eliminating Static And Leaves The Hair Soft And Smooth.

PADDLE BRUSH SMALL

The Small Paddle Brush features ion bristles and ball-tipped nylon pins, perfect for professionals who need precision styling. It offers smooth, tangle-free hair with each stroke, while its anti-static technology ensures reduced frizz and enhanced shine. The cushioned rubber pad stimulates the scalp, making this brush an excellent choice for professional-quality results.

PADDLE BRUSH BIG

Perfect for professional styling, the Big Paddle Brush features nylon ball-tip pins and ionic bristles that reduce frizz while boosting hair's natural shine. Its anti-static technology ensures smooth, tangle-free results, while gently detangling and massaging the scalp. Ideal for creating effortless volume and sleek, frizz-free smoothness, it's a must-have tool for any stylist.

Ball-ended nylon pins penetrate and straighten hair effortlessly. Maximises heat distribution for faster styling. Perfect for all different hair types and textures provides stimulating scalp massage while distributing the oil evenly from the roots. Anti-static ion technology to restore hair balance and shine.

Equipped with ball-tipped nylon pins for less hair damage, and anti-static ion technology the IKONIC paddle brushes helps to evenly distribute heat across every strand, so you can get perfect results every time. The brush helps smoothen your hair and are suitable for all hair types and textures.

FLEXI VENT BRUSH

The Flexi Vent Brush is designed for professional use, with a flexible, vented head that adapts to the shape of the scalp for improved comfort and control. Its heat-resistant design and ergonomic grip make it easy to use for both wet and dry hair. The anti-static properties reduce frizz, ensuring a smooth, controlled styling experience with less drying time.

TEASING BRUSH

Teasing Brush acts great for teasing, sectioning, backcombing, and finishing. It is made from gentle bristles, known as boar that minimizes the damage or breakage. Its slim design creates hairstyles with luscious volume.
